

CHURCH WEBSITES *with* WECONNECT

Managing Your Parish Website & App Together Just Got A Lot Easier

WELCOME AND ENGAGE YOUR COMMUNITY

Your church website is a destination to welcome and invite seekers to learn more about your vibrant parish community and ultimately Jesus Christ. The purpose of a parish app is to engage and catechize families already in your church. With WeConnect, your website and app content sync simultaneously.

BEAUTIFUL CHURCH WEBSITES

WeConnect is a website builder designed for Catholic churches.

EASY TO USE AND MAINTAIN

EASY, EFFORTLESS TOOLS

Use as many as you need to welcome visitors and new members and engage more parishioners in the work of your parish. Keep everyone updated and encourage them to find places where they can use their gifts and talents to give back to God what He has given to them.
